In the Matter of

KENTUCKY PUBLIC SERVICE COMMISSION)
vs.)
EAST CLARK COUNTY WATER DISTRICT)

CASE NO. 9119

SHOW CAUSE ORDER

On July 20, 1984, East Clark County Water District ("East Clark") filed a letter informing the Commission that it has, effective July 1, 1984, raised its bulk water sales rates due to an increase in its supplier rates. Winchester Municipal Utilities ("WMU") gave East Clark formal notice that based on contractual obligations WMU would require East Clark to immediately raise their rate for bulk water sales "to a level equal to or exceeding \$3.35 per 100 cubic feet" or WMU would withdraw its consent for East Clark to sell water to water haulers.

The Commission, on its own motion, HEREBY ORDERS that East Clark shall appear at the offices of the Public Service Commission at Frankfort, Kentucky, on the 19th day of September, 1984, at 9:00 a.m., Eastern Daylight Time, to show cause, if any it can, why it should not be required to adhere to the Commission's Regulation 807 KAR 5:001, Section 9, in raising its rates, and to show cause why it should not be subject to the penalty provisions set forth in KRS 278.990 by raising its rates without prior Commission approval.

IT IS FURTHER ORDERED That East Clark shall give notice of the hearing as required by KRS 424.300 and, in the event notice is given by newspaper publication, the notice shall be published one time in a newspaper or newspapers of general circulation in the area served, the publication to be not less than 7 nor more than 21 days prior to the hearing. The notice shall include the date, time, place, and purpose of the hearing.

IT IS FURTHER ORDERED That East Clark shall keep a record of all bulk water sales at the current rate made on and after July 1, 1984, in the event a refund may be ordered.

Done at Frankfort, Kentucky, this 29th day of August, 1984.
